FOR THE DISTRICT OF NEBRASKA**

UNITED STATES OF AMERICA,)	CASE NO. 8:07CR249
)

vs.)	TENTATIVE FINDINGS
)	
JUGJEEV MANGAT,)	
)	
Defendant.)	

The Court has received the Presentence Investigation Report ("PSR") and the government's objections thereto (Filing No. 55). See Order on Sentencing Schedule, ¶ 6. The Court advises the parties that these Tentative Findings are issued with the understanding that, pursuant to *United States v. Booker*, 543 U.S. 220 (2005), the sentencing guidelines are advisory.

The plea agreement recommends that the Defendant receive a 3-level downward adjustment for a minor role in the offense. Paragraph 30 of the PSR does not include this adjustment. The government objects to ¶ 30, arguing that the plea agreement should be upheld. Absent unusual circumstances, the Court intends to uphold the plea agreement, and the Court's tentative findings are that the government's objections are granted.

IT IS ORDERED:

1. The government's Objections to the Presentence Investigation Report (Filing No. 55) are granted;
2. Otherwise the Court's tentative findings are that the Presentence Investigation Report is correct in all respects;

3. If **any** party wishes to challenge these tentative findings, the party shall immediately file in the court file and serve upon opposing counsel and the Court a motion challenging these tentative findings, supported by (a) such evidentiary materials as are required (giving due regard to the requirements of the local rules of practice respecting the submission of evidentiary materials), (b) a brief as to the law, and (c) if an evidentiary hearing is requested, a statement describing why an evidentiary hearing is necessary and an estimated length of time for the hearing;

4. Absent submission of the information required by paragraph 3 of this Order, my tentative findings may become final; and

5. Unless otherwise ordered, any motion challenging these tentative findings shall be resolved at sentencing.

DATED this 21st day of April, 2008.
